Customer Problem Statement:

- A traveller who wants to know the updated news of every place which he wants to visit instantly about the rates, weather, new places, our apps give him the updated news of all the things which he require to travel happily.
- A techie guy who likes to know daily updates on new launches of computers and other electronics, so our application help him to get daily launches of different devices from different brands to full fill his needs.

working at
a company

I'm trying to

get a
promotion

But

its hard to
get it

Because

there were to many
people working at
my office

Which makes me feel

not too
special

in bus stop

I'm trying to

go to
chennai

But

there is no
bus

Because

of a
sNke

Which makes me feel

not happy

poliCe
officer

I'm trying to

find a man

But

heisvery
hard to find

Because

he is too
smart

Which makes me feel

irritated

post officer

I'm trying to

find a
address

But

its very
hard to find

Because

that address is to
deep in the
village

Which makes me feel

unhappy
